Saint Paul, MN 55102-1660

September 9, 2015

Dear Raymond Avenue Property Owner:

The **Raymond Avenue Paving Project** in your neighborhood will be completed this fall. As a result of the project, you will have streets that are smoother, safer, and better lit. In coordination with this project, Xcel Energy, Saint Paul Regional Water Services, and other utility services have been upgraded and improved.

A Public Hearing before the City Council for the approval of the assessments for the project has been scheduled for October 7, 2015. You will receive a separate mailing informing you of this meeting.

An "open house" style meeting to answer questions about the assessment rates and the construction project will be held at:

Thursday, September 24, 2015
6:00 – 7:00 p.m.
Langford Park Recreation Center
30 Langford Park

Public Works' Division of Street Design and Construction and the Office of Financial Services' Real Estate Section will have staff on hand to answer your questions.

If you have any construction related questions prior to the meeting, you can call me at 651-266-6112. If you have any billing or assessment questions you can call 651-266-8858.

Thank you,

Barb Mundahl
Project Engineer
